REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

In this examiner's opinion, applicants limitation of the instant claim language found in claims 1-3, to the specific three acrylates for (B) along with the limitation to the required presence of the c) compound containing epoxy group make the instant compositions allowable in view of applicants' showing of unexpected results as set forth in their arguments of March 3, 2004 with regard to the showing of unexpected results with respect to thermal shock tests. The examiner withdraws her restriction requirement recorded in the Office Action of March 27, 2003. Thus, claims 4-5 have also been examined in view of claims 1-3 being allowed. Thus, claims 1-5 are now allowed in view of applicants' amendments and arguments.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Cynthia Hamilton whose telephone number is 571-272-331. The examiner can normally be reached on Monday-Friday, 9:30 am to 5:00 pm.
